November Holidays

In November we will observe two holidays; Veteran's Day and Thanksgiving.

Veteran's Day is Sunday, November 11, 2007. Our office will be closed on Monday, November 12, 2007 in observance of the holiday. Agency liquor stores that are authorized to be open on Mondays may be open on Monday, November 12, 2007. Stores with a Monday pick date will need to have their orders submitted to the Helena office by 4:00 a.m. on Wednesday, November 7, 2007 for processing.

Thanksgiving Day is Thursday, November 22, 2007. All agency liquor stores must be closed on this day. The pick date for several stores has changed. Please check your order processing calendar (see below) for changes to your pick date. The pick date for stores listed in black will remain as usual. Stores listed in green have been changed to accommodate the typically large orders and the delivery schedule set by Associated Foods.
